The Pol Pot Regime

Race, Power, and Genocide in Cambodia under the Khmer Rouge, 1975-79

Ben Kiernan

"A deeply detailed, meticulously reported history that will discourage future revisionists from claiming the Khmer Rouge were well-intended reformers.... (It) will be one of the most widely used reference books on the Cambodian tragedy."
—Sydney H. Schanberg, *Nation*

"Kiernan is one of the major historians studying the Khmer Rouge phenomenon. His is by far the best of the attempts to explain why the nightmare occurred." —Daniel Chirot
