RECOVER, RESTORE AND DECOLONIZE: NAGA PEOPLE'S JOURNEY OF REPATRIATION AND HEALING

Dolly Kikon

  @Dollykikon

Arkotong Longkumer

In this talk, **Dolly Kikon** and **Arkotong Longkumer** reflect on the ongoing dialogue on repatriation of Naga ancestral human remains with the Pitt Rivers Museum at Oxford University. As Naga researchers leading the Recover, Restore, and Decolonize (RRaD) initiative, they will share how this process has started a journey of healing, reconciliation, and decolonization for the Naga people.
